

### REMARKS

This is a full and timely response to the Notice To Comply with Requirements for Patent Application containing Nucleotide Sequence and/or Amino Acid Sequence Disclosure mailed July 9, 2007.

By this Amendment, a computer readable form (CRF) version and paper copy of the Sequence Listing required under 37 CFR §§1.821(c) and 1.823(a)(1) has been submitted and incorporated into the specification. Also, the specification has been amended to add Sequence Listing Identifiers to the sequences disclosed in the specification.

In view of these amendments, Applicant believes that the requirements in the Notice have been addressed and the application is in optimal form for examination. Thus, in view of the foregoing amendments and following remarks, favorable examination on the merits is respectfully requested.

Dated: September 10, 2007

Respectfully submitted,
